

# Head to Head cubicle beds

Head to head cubicle beds come in two standard sizes, 4270mm (14ft) or 4572mm (15ft) long by 1143mm (3ft 8 ins) wide with a fall of 150 mm from the centre. Other lengths and slopes can be made to your project requirements.

### Design Features

- 4270mm or 4572mm (14 or 15ft) long beds
- 150 mm slope to prevent water lying on beds.
- Quick and easy to install
- Made to length to suit your project
- Designed to current BS EN standard
- Incorporated lifting socket for installation with designed and certificated lifting devices

### Uses for Head to Head cubicle beds

- Used in conjunction with modular tanks to provide raised, dry resting space for cattle

### Design & Quality Assurance provisions

- Design certificates available for your building warrants
- Concrete design certificates supplied
- Concrete strength cube reports available upon request
- SEPA approved system
- Method statement for erection available
